

Inspector Lindholm

Studio Hamburg | 2013 - 2021

German

29 x 90 min (1 new episode)

Worldwide

Female inspector Charlotte Lindholm (Maria Furtwängler) prefers to investigate mainly in the surroundings of Lower Saxony. A mixture of Emma Peel and Inspector Columbo, she appears scatterbrained and chaotic to others, but she has a sharp brain and often it is her roundabout manner that solves the case.
